10TH ANNUAL SCIENCE FAIR AND EXPO

Sponsored by the District 95
Educational Foundation

LAKE ZURICH COMMUNITY UNIT
School District 95

9TH ANNUAL SCIENCE FAIR AND EXPO

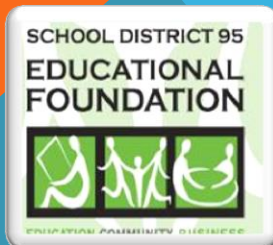

Saturday, April 21, 2017

8:30 am-11:00 am

Lake Zurich Middle School South

Open to all Lake Zurich
Students, K-8

WHY PARTICIPATE?

By participating in the science fair you will:

- Conduct independent research and answer your own questions
- Create informational displays
- Gain self-confidence and public speaking experience
- Record data and write an experimental procedure correctly
- Utilize the scientific method and become more science literate
- Learn more about science and understand that the Science Fair is FUN!

In addition, a science project will help you to learn much more about a subject that interests you as well as some important practical skills such as:

- Working across the curriculum; enhancing writing, mathematical and analytical skills
- Work towards a deadline
- Carry an idea through from beginning to end

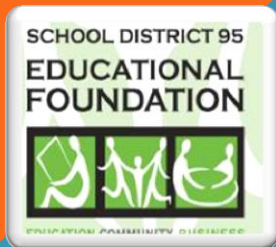

IMPORTANT INFORMATION & DATES

Registration (online or paper)

- Open February 9th – April 6th
