Early Admission to Kindergarten or First Grade

Parent Information Sheet

Lake Zurich Community Unit School District #95 (CUSD 95) has established procedures to allow for requests from parents for early admission into kindergarten for children whose fifth (kindergarten) or sixth (first grade) birthday falls between the State of Illinois requirement of September 1 and CUSD 95's deadline of October 31. It is recognized that social, emotional, physical and intellectual readiness for kindergarten or grade one varies from child to child at a given chronological age and that some children are ready for kindergarten or first grade earlier than others.
