**Looking to cut down on the number of flyers that you get from school?**

Dear Isaac Fox Parent/Guardian:

In an effort to be more environmentally friendly, Isaac Fox will be initiating a new program called the **School Information Gathering Network (SIGN)**. This program requires all organizations that send home District-approved flyers to also provide the flyer in Adobe Acrobat (PDF) format. These flyers will be posted and updated weekly on our website (handouts & flyers). You can either opt to continue to receive paper flyers by backpack (sent home to youngest and only students), or you can receive a weekly email reminder to check the website, so you can view the updated flyers, then download and print, only what you choose.

Our school office and PTO will also use this system to post the monthly newsletter, as well as send out reminders about important deadlines and events.

Please complete the form below and return it to school with your student to let us know your preference for receiving information from school. We look forward to making Isaac Fox a cost-efficient and "greener" place to learn. Please feel free to contact us if you have any questions about this new program.

Environmentally yours,

Jill Brooks  
Principal

Name of child \_\_\_\_\_ Grade \_\_\_\_\_ Teacher \_\_\_\_\_

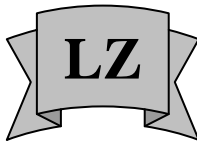

\_\_\_ Continue to send all communications from school on paper via backpack using the current method.

\_\_\_ Enroll me in the SIGN program described above and send me a weekly email reminder to check the website ( a link to the website will be provided each week).

My name is \_\_\_\_\_

My email address is: \_\_\_\_\_

(Please print clearly and let the office know of any email changes.)

Dear Isaac Fox Parent/Guardian:

I am very excited to welcome you to the new SIGN (School Information Gathering Network) program. I am proud that Isaac Fox will be assisting CUSD 95 save expenses on paper, ink, and toner, as well as contributing to a more environmentally sound world.

You will receive an email reminder every week to check the web site for updated flyers. As we move towards a paperless system, you may receive some paper copies. At this time, we're all part of a learning curve on this process. However our goal is two fold - 1) to keep you informed and 2) to save the environment for your children.

Please feel free to send us feedback. We are eager to hear your thoughts about this new way of communicating. We want this program to be as user-friendly and effective, as possible. Please contact either Anne Kuehl, our web master, at [anne.kuehl@lz95.org](mailto:anne.kuehl@lz95.org) or me [jill.brooks@lz95.org](mailto:jill.brooks@lz95.org) with feedback about this program.

Thanks for helping us work towards our goal!

Environmentally yours,

Jill Brooks  
Principal, Isaac Fox
