

Snowflakes are coming, and so is the cold,  
The games that we have are tattered and old!

Your closets are bursting, you know it is true,  
Can you donate some games, just one or two?

We'll make them like new, really quite spiffy,  
Then indoor recess will be much more nifty!!!

Please help the school (and clean out your closets), by donating to the:

## 2009 GAME DRIVE

Please bring your gently used games to the Red Circle on 12/8, 12/9 or 12/10 (Tues/Wed/Thur), either before or after school 8-8:30 or 3-3:30, on any of these days.

Please make sure your games are in good condition, complete and age appropriate (K-5<sup>th</sup>). *(If you do have games that are missing pieces, we will take those too, please just mark them "INCOMPLETE", and we will use these to complete other sets!)*

The PTO will go through all the games, organize and repair them, then the teachers will be able to choose the ones they want for their classrooms. Any games not selected by the teachers will be donated to local Charites.

Any questions (or if the drop off dates don't work for you), please contact Laura Hunter 630-886-4610 or Debi Beaudoin 847-726-8034.
