

THE ENRICHMENT COMMITTEE

presents

Discovery Center Museum Science Club

The Isaac Fox PTO “After 3” Enrichment Committee is excited to offer an after school science program **open to students in grades 2-5**. The Discovery Center Museum in Rockford, IL will be coming to Isaac Fox for **six** hands-on science classes with a new curriculum. The Science Club will run from 3:00pm-4:00pm in the gym on these Fridays: October 2, October 9, October 23, November 6, November 20, and December 4, 2009.

Please pick up your child at the back door of the gym. Also remember to send a note to your child’s teacher each week so he/she is not put on the bus.

Limited to the first 30 children.

Cost: \$45.00 (for 6 classes, no prorating)

Registration Deadline: Tuesday, September 29th

Questions? Call Irene Stange 550-1955 or Jill Stubenvoll 719-2677.

Please cut here and return with a check for \$45.00 made payable to “Discovery Center Museum” (one check and slip per child). Return payment to the school office, Attn: Irene Stange.
