- Cakes

Did You Know?

Some types of blackberries are thornless so that pickers can pick them more easily.

Marionberries are the best flavored and most popular blackberry in the world.

Raspberries are a member of the rose family.

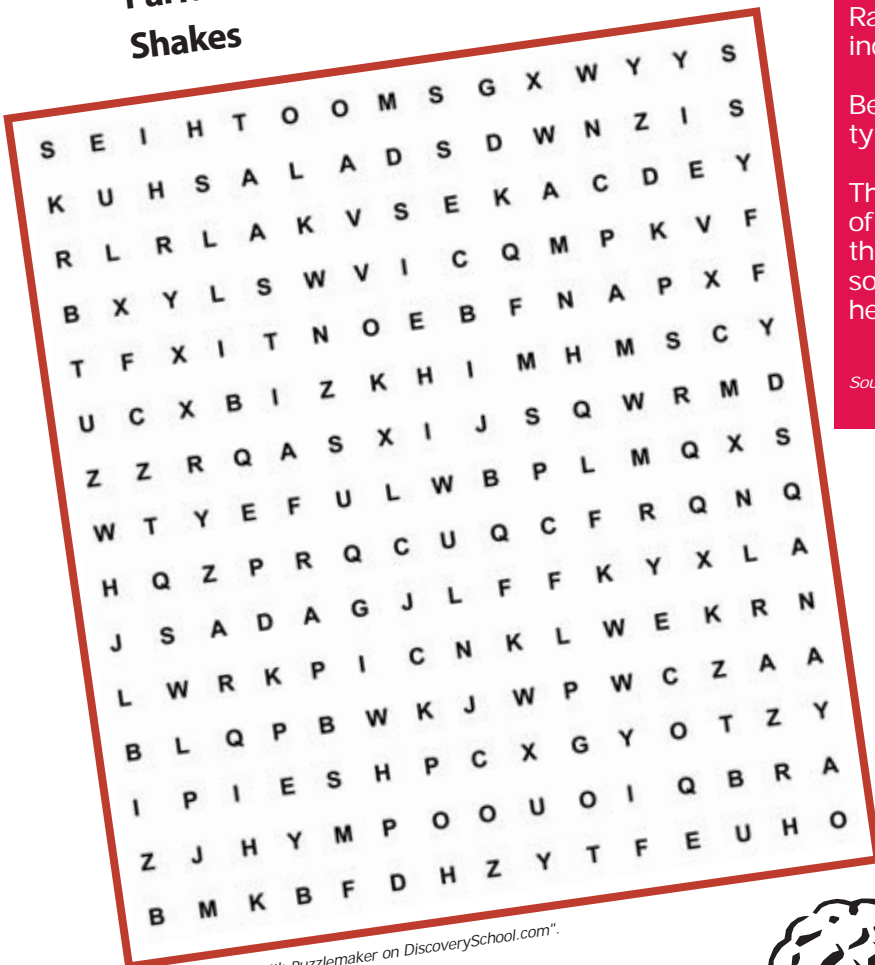

Raspberry fruits can be red, yellow, orange, purple or black.

Raspberries and Blackberries are made up of individual, plump, round drupelets.

Berry farmers in Oregon grow over 50 different types of berries.

The color in raspberries and blackberries are full of potent phytonutrients (plant derived nutrients) that provide superior health benefits. Try to eat some type of berry every day for a very healthy diet.
