Naming a seat is an important and lasting way to help support, maintain and expand the vitality of our school's performing arts program.

The new 650 seat Lake Zurich High School theater is scheduled to open in late Fall, 2003. For a special one-time donation of \$100 or more, you can name a seat after yourself, a loved one, a business or an organization. You can name one or several seats. Consider this unique opportunity when looking for a distinctive gift for the person who has everything. In recognition, a **1" X 4" plaque** will be permanently attached to the arm of every seat you purchase. The plaque will include your business name, organization or name and graduation year (when applicable) or a seat may be purchased in memoriam.

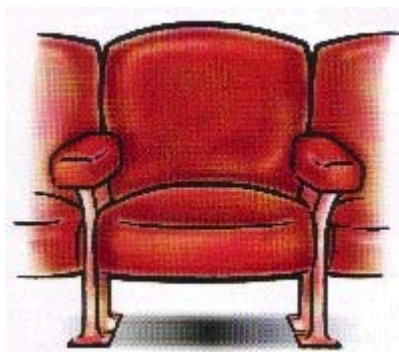

As a donor to the Lake Zurich High School Name A Seat program you are eligible for special benefits...

- Be recognized through a permanent nameplate placed on the arm of the seat
- Receive an invitation to attend a private recognition event celebration
- Receive a Certificate of Recognition, acknowledging your donation
- Have the opportunity to denote specific seat/row location (if available)

Your donation will enhance the education of the LZHS students who study the arts by providing additional theatrical equipment, programming and Fine Arts scholarships.
