

The LZHS Jazz Lab Band and Jazz Ensemble are traveling to New Orleans this March to aid in the Hurricane Katrina relief effort by partnering with Habitat for Humanity to help build a house.

We are collecting items and raising funds for those in need in NOLA. One of the easiest ways to help is to consider donating children's books and toys. We hope that you will consider joining with us in this effort. Monetary donations made payable to "Habitat for Humanity" will be also presented to that charity when we arrive in New Orleans. All toys and books need to be donated by March 13th.

The newly created "Band Boosters of Lake Zurich, Ltd." would like to thank the many organizations and individuals who generously donated funds to make this year's Band-O-Rama an outstanding success. Total contributions ended up being over \$20,000 and new uniforms are now a reality for next year. Thanks again and be sure to visit our newly created website at [www.BBLZ.org](http://www.BBLZ.org) for band info and updates.

J. David Beshoar-President Wheeler Chapman-Vice President

We wish to say "Thank you" to all of our parents and sponsors who have assisted with recent events - fundraising, concert hospitality, and solo and ensemble contest. All of these band happenings cannot occur without the assistance you provide and we cannot thank you enough!

Special thanks to Jeanette Greco and Dan Repplinger for their extra effort heading up food and volunteers.

### Program Notes

Ashokan Farewell was originally scored for the mini-series “The Civil War.” We present this work as a tribute to Mrs. Conover’s high school band director, Don Caneva, who arranged this piece for alto flute and band. Mr. Caneva instilled in his Hersey band students, a work ethic and desire for excellence that has made his legacy one of encouraging successful and high achieving adults. Many of his former students are still participating in music, whether in instrument repair, playing professionally, teaching or playing in the local community band. Mr. Caneva passed away last August in San Diego CA after many years of fighting cancer.
