

How can I be successful in Mrs. Day's Science Class?

1. Write down all assignments/projects/test
2. Check the back wall for assignments/projects/test
3. Tests and projects will be giving at least one or two week advance notice. Time-management planning is acquired. Write it down.
4. Always double check website for homework, notes, study guides, and tests information, as well!

Homework Help

- ✚ Use science textbook and ISN Notebook – look at the sample problems, formulas, steps, diagrams and notes we did in class.
- ✚ Correct any homework that was completely done incorrectly to be prepared for the test and understand the concept.
- ✚ You should make arrangements to come in afterschool for help or homeroom.
- ✚ Email questions or comments the night before so that I can address them in class or homeroom.

Preparing for tests and finals

- ✚ Make a note when the test is on a calendar.
- ✚ Review and answer the study guide for the test. Study Guides and practice sheets are on the website!
- ✚ Make an appointment if still having trouble with a concept.
- ✚ Use the HOMEWORK LOG, ISN Notebook, and Labs to review concepts and problems. (Most of the problems will be very similar to homework, demonstrations done in class, or labs).

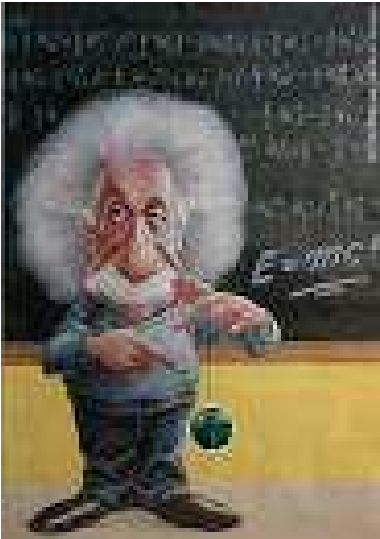

Lab Work and Projects

- ✚ All lab work and projects have strict guidelines to follow, check the direction sheets and grading rubrics to ensure success.
- ✚ Copies of these guidelines are on my website.
- ✚ Watch due dates!!!

Look at homework log sheet for homework completion

- ✚ a STAMP – met all requirements (name of assignment and date, on time and excellent quality) 6 POINTS!
- ✚ 3 points – met ½ of requirements or late assignment and completed the assignment
- ✚ Blank – never saw it!!!

Check ISN Notebook:

- ✚ **Follow the chapter checklist!**
- ✚ Neatly written
- ✚ Following layout
- ✚ Organization

Check your Test Portfolios

- ✚ Test Corrections - If the score lower then a B-, you will need to do test corrections
- ✚ Do your test corrections
- ✚ Review all tests for the final exams!

General Stuff:

1. Set up a schedule work/study time
2. Clean out binder and organized weekly
3. Come in afterschool for Tuesday's Study Sessions
4. Check your grades online every Monday Evening
5. Check the website for assignments, notes, worksheets, etc...
6. Celebrate your efforts and being responsible your education.
7. Check Mrs. Day's website or email if you have a question or need help.
