Summer Orchestra Information

Dear Orchestra Families,

Summer is a wonderful time to rest and relax after a busy school year. I am excited to announce that we have the opportunity to offer your student a summer orchestra program to keep them playing over part of the summer. This program will allow students to keep their fingers flexible and their minds musical over the break.

Please complete and tear off the registration form and mail it to Gail Drake (see address on form) in a sealed envelope by **Friday, June 5th**. I am looking forward to working with your student and hope to see them this summer.
