

# MSS Celebrates Halloween 2009!

The annual Halloween Activity Night provided students with a fun evening of games, haunting and dancing with goblins, ghosts, witches and sharks in attendance at the MSS annual Halloween Party.

The halls of the school looked eerily similar to a grave yards and haunting was to be expected on Fri night as the PTO went all out to create a fun filled Spooktacular night for the middle-schoolers.

Our friends the Moran's from Woody's stopped by

to serve up hot dogs, ice cream and other treats, while Dance Party DJ played fun music and really got the crowd going ( not that it takes much) in the gym.

There were a little over 505 spooks in attendance.

Here's a look at some of the creative costumes!

Thanks to all the folks who made this night possible but especially those who took charge

of our various committees: Pam Rowell, Eileen Pesce, Pam Luby, Pam Anderson, Allison, Anne Close, Amy Young, and to the Jack & Julianne Cooney family who took the time to come and set up their haunted garage in our haunted hallway, it was a scary good time!

The best costume prize went to Jessie Black as the mousetrap.
