

Extra Practice...

Kindergarten and Early Childhood is such an exciting and eventful time for kids! They are introduced to so many important skills that they will continue to develop through the years. It is essential to continue to work on these skills at home as much as possible. Making flashcards, memory games and practicing writing are all excellent ways to make them more comfortable and confident with themselves and their skills!

Writing - first and last name - upper and lowercase letters - numbers 0-30	Letters - recognize all upper and lowercase letters	Letter Sounds - Foundations Program - short & long vowel sounds - beginning and ending sounds
Numbers - recognize 0-30 - rote count to 30 - match quantities 0-30 - counting by 5's and 10's to 100	Basic Sight Words - list	Listening Skills - follow 2-4 step directions - listen to a story
Spelling - creative "Kindergarten" spelling of words	Other Skills - tie, zip and button
