(Lake Zurich, IL) — At the regular meeting of the CUSD95 Board of Education, the Board approved the recommendation of Superintendent Michael J. Egan to appoint Lettie Ekovich to the Principal position at May Whitney Elementary School, effective July 1, 2010. Ekovich will replace current May Whitney Principal, Dr. Deb Bruemmer, who will retire at the end of the current school year.

Ms. Ekovich comes to District 95 from Schaumburg District 54, where she has served as Assistant Principal for six years. She has 22 years experience in education at the elementary level, including 14 years as a teacher and lead teacher in Hawthorn District 73. Her experience and background include curriculum and instruction, gifted and special education, dual language and ELL programs, facilitation of professional development on guided reading, flexible grouping, professional learning communities, curriculum development, and master schedule development providing teachers with common planning time. She has worked with MAP testing and analyzing data to improve instruction.

“Along with Lettie’s many professional accomplishments, she also possesses excellent communication skills and has a strong reputation for being able to connect with parents, students, and staff”, said Superintendent Michael J. Egan.

"I am thrilled that Lettie Ekovich has agreed to join the District 95 team. Her leadership skills and strong curriculum background make her a great choice to lead May Whitney Elementary School", said School Board President Kathy Brown.
