Dear Sarah Adams Parents:

Looking to cut down on the number of flyers that you get from school?

In an effort to save money on printing costs, and be more environmentally friendly, Sarah Adams School will be piloting a new program called the **School Information Gathering Network (SIGN)**. This program requires all organizations that send home District approved flyers to also provide the flyer in the Adobe Acrobat (pdf) format. These flyers will be posted and updated weekly on our website. You can now either opt to continue to receive paper flyers by backpack (sent home to youngest and only children) or you can receive a weekly email reminder to check the website so you can view updated flyers, then download and print only what you choose.

Our school office and PTO will also use this system to post the monthly newsletter, as well as send out reminders about important deadlines and events.

Please complete the form below to let us know your preference for receiving information from school. We look forward to making Sarah Adams a most cost-efficient and "greener" place to learn. Please feel free to contact us if you have any questions about this new program.

Environmentally Yours,

Christopher L. Finch
Principal

SIGN Sign-up

Name of Child(ren) _____ Grade(s) _____

Teacher(s) _____

____ Continue to send all communications from school on paper via backpack (with youngest and only children)

____ Enroll me in the SIGN pilot described above and send me a weekly e-mail reminder to check the website (a link to the website will be provided each week).

My email address is: _____

My name is: _____
(print clearly & be sure to inform office of email changes throughout the year)
