(Required)

I hereby authorize the school district staff members to take whatever action in their judgment may be necessary in supplying emergency medical services consistent with this plan, including the administration of medication to my child. I understand that the Local Governmental and Governmental Employees Tort Immunity Act protects staff members from liability arising from actions consistent with this plan. I also hereby authorize the school district staff members to disclose my child's protected health information to chaperones and other non-employee volunteers at the school or at school events and field trips to the extent necessary for the protection, prevention of an allergic reaction, or emergency treatment of my child and for the implementation of this plan.

Parent/Guardian Signature:_____ Date:_____

DOCUMENTATION

- Gather accurate information about the reaction, including who assisted in the medical intervention and who witnessed the event.
- Save food eaten before the reaction, place in a plastic zipper bag (e.g., Ziploc bag) and freeze for analysis.
- If food was provided by school cafeteria, review food labels with head cook.
- Follow-up:
  - Review facts about the reaction with the student and parents and provide the facts to those who witnessed the reaction or are involved with the student, on a need-to-know basis. Explanations will be age-appropriate.
  - Amend the Emergency Action Plan (EAP), Individual Health Care Plan (IHCP) and/or 504 Plan as needed.
  - Specify any changes to prevent another reaction.

By signing below, I agree:

1. That I am primarily responsible for administering medication to my child. However, in the event that I am unable to do so or in the event of a medical emergency, I hereby authorize the School District 95 and its employees and agents, in my behalf and stead, to administer or to attempt to administer to my child (or allow my child to self-administer, while under the supervision of the employees and agents of District 95), lawfully prescribed medication in the manner described above. **I acknowledge that it may be necessary for the administration of medications to my child to be performed by an individual other than a school nurse, and specifically consent to such practices,** and

2. To indemnify and hold harmless District 95 and its employees and agents any claims, except a claim based on willful and wanton conduct arising out of the self-administration of medication by the student.

FOR PARENTS OF STUDENTS WHO SELF ADMINISTER MEDICATIONS

I authorize the School District 95 and its employees and agents, to allow my child or ward to possess and use his or her asthma medication, diabetic supplies or "Epi-Pen" (1) while in school, (2) while at a school sponsored activity, (3) while under the supervision of school personnel, or (4) before or after normal school activities, such as while in before-school or after-school care on school-operated property.

I verify that my child has been instructed and can self administer his/her prescribed medication in accordance with the prescribed dosage and route. Also my child is aware of potential side effects, when medication is not effective, and when additional help is needed. Illinois law requires the School District to inform parent(s)/guardian(s) that it, and its employees and agents, incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication (105 ILCS 5/22-30).
