

Hybrid/Blended Snapshot (DRAFT)

JULY 22, 2020

Hybrid Snapshot

Blended Model (Combines some In-Person learning and some eLearning)

The hybrid instructional model allows the District to provide opportunities for some in-person instruction and some eLearning. This plan operates under the assumption that 50% or fewer students would be in-person at any given time.

Within the Hybrid model, the District has the opportunity to be flexible when creating school schedules, grade-level schedules, and schedules for specific student populations (such as students with IEP's, students with English Language needs). Within the Hybrid model, the District follows all state and local health and safety guidelines.

State, local, and district guidance will be used to determine the ability to offer athletics, co-curriculars, and after school opportunities.

Key Points

- Students at all levels attend a partial day (50% of students AM and 50% of students PM) everyday OR several full days a week on a rotating basis (50% percent of students on specific days and the other 50% on the opposite days)
- Face coverings are required when in the building
- Social distancing of six feet
- All areas limited to 50 people or less (socially distanced) - hallways, cafeterias, gymnasiums (unless floor to ceiling divider between spaces)
- Staggered dismissal, arrival, and passing periods
- No locker use

-
- Increased building sanitation
 - Only resources that can be sanitized between use will be shared among students
 - Modified lunch menu, only in the alternate full-day model
 - 49 students or less per bus
 - Social-Emotional Learning (SEL) opportunities will be integrated into the school day across all grade levels in any instructional scenario - to include resilience skill building lessons for students and self-regulation practice opportunities

Key Considerations

- Elementary School to focus on in-person ELA/Math
- All students and teachers masked, with masks removed during lunch (elementary students to eat in classrooms if full day rotating days are the model)
- Teacher and students wipe down their desks at beginning and ending of each period (HS/MS) and upon entering classroom, before and after use (elementary)
- High touch points and restrooms wiped clean throughout the day by custodians
- Students remain in cohort groups whenever possible
- Outdoor spaces used whenever possible
- Ability to be flexible as schedules may change (bus and academic schedules and health considerations)

HYBRID PLAN #2: AABBA/AABBB Alternate Full-Day Instructional Model

High School Schedule - Hybrid Model (with two options)

Phased effort. Begin with splitting student population in thirds, then transition to half after a determined amount of time. The district may also start this schedule at 50% capacity (may eliminate the option to split student population in thirds).

High School Schedule – Students would be divided in thirds alphabetically, creating Group 1, 2, and 3. The schedule would be blocked, like it is for face-to-face learning. Please note that ALL times may be adjusted to support elementary and middle school schedules and potential transportation needs. For example, we could decrease the 80 minute block if necessary by five minutes.

Staggered In-Person Start Date Options

If deemed necessary, either Hybrid option MAY be implemented with one of the following staggered in-person start dates.

Elementary & Grade 6

All students begin in-person on August 24.

HS (Grade 9)

All students begin eLearning on August 24th and in-person on August 31

Middle School/HS (Grades 10-12)

All students begin eLearning on August 24th and in-person on September 8

-OR-

Elementary & Grade 6

All students begin in-person on August 24.

Middle School (7 & 8)

All students begin eLearning on August 24th and in-person on September 8

HS (Grade 9)

All students begin eLearning on August 24th and in-person on September 8

HS (Grades 10-12)

All students begin eLearning on August 24th and in-person on September 14

Health & Safety Considerations

Guidance from Illinois Department of Public Health, Lake County Health Department, and Illinois State Board of Education will be followed, including:

- Face masks worn by all students and staff unless medically contraindicated
- Temperature checks, pre-screenings performed each day (by school or self-certification). Students and staff exhibiting any symptoms must not attend school in-person. However, if well enough the student may participate in eLearning. Staff should inform their supervisor for further instructions
- Six-foot physical distancing must be maintained as much as possible
- Groups limited to less than 50 in a single space

-
- Enhanced cleaning and disinfecting
